To N. V. Narjundayya Esq: B.A. B.L.
The Secretary to the Government of Mysore,
General and Revenue Departments.

Sir,

Adverting to Government Proceedings camp No: 4-5 dated 14th October 1901, sanctioning an advance of Rs: 200/ for the construction of temporary sheds for Kitchens and Latrines for the use of the official guests and members of the Representative Assembly during the Dassera festivals of 1901, I have the honor to state that two blocks of sheds one in the Normal school Compound and the other in that of the students' homes of the Maharajah's College, were constructed for the purpose by the Amildar of the Nanjanagud Taluk as authorized by my predecessor Mr. Ramanuja Iyengar.

It was at first thought that a sum of Rs: 200 would be sufficient for the purpose and the sanction of

of Government was obtained. The Amildar was given an advance of Rs: 100 out of the permanent advance and was directed to expedite the work.

After the work was completed, the Amildar sent up a bill for Rs: 537-5-0 after deducting Rs: 70-8-0 realized by the sale of old materials, the total cost amounting to Rs: 607-13-3 thus exceeding the sanctioned amount by Rs: 407-13-3. This includes Rs: 7-5-0 incurred in repairing the Special Reserve Lines and purchasing padlocks.

Mr. Seshagiri Row, First Assistant Commissioner, who had the immediate supervision over the arrangements, has in his Memo of 6th December 01, objected to certain items as extravagant, and Mr. Ramanuja Iyengar also has recorded his remarks against the excess expenditure directing that the bill may be returned to the Amildar for revision.

In resubmitting the bill for sanction the Amildar explains that owing to the short-time that was at his

disposal, the unexpandency of the extent of accommodation required, the unusual heaviness of rain at this time, the then prevailing high demands for local labour and sheds materials, he was obliged to exceed the estimated amount. (Vide his report No: 712 dated 23d March 1902).

Three detailed bills as per margin for an aggregate amount of Rs: 607-13-3, quoted above, are herewith submitted with a file of correspondence ending with the Amildars report No: 93 dated 21st August 1902. The amount realized by the sale of materials viz Rs: 90-8-0 is placed under deposit in Taluk Treasury.

Under the above circumstances I request that you will be kind enough to obtain sanction of Government for the amount in excess of the estimate viz Rs: 407-13-3.
